

Dear Kindergarten Families,

Welcome to Kindergarten at EastSide Charter School!

We are looking forward to learning and growing with your child this year as their Kindergarten teachers. This is sure to be an exciting time for you as your child begins their official journey to becoming a life-long learner. Your involvement, interest, and enthusiasm will help make this a wonderful year of growth for you and your child.

This year we will spend time encouraging positive social interactions among the students, helping them to become more independent during the school year, and nurturing a classroom of respectful and caring children.

This will also be a year of tremendous academic growth. You will see your child blossom into an early reader and writer, in addition to building many Math skills. We will also explore several topics in Science and Social Studies too. We enjoy having fun in the classroom, but also know the importance of creating a structured and organized learning environment.

It is our belief that a child's success is based on a cooperative parent/guardian/teacher relationship. We look forward to working with you throughout the year and communicating with you about your child's goals and progress.

Make sure to scan this code to fill out our Kindergarten ESCS Student Information Form

We look forward to working with you and your child and having a great 2021-2022 school year!

Sincerely,

Ms. Gonzalez, Mrs. Stephenson, Ms. Johnson, & Ms. Gummey
