

# 5 Reasons Parents Send Their Children to EastSide

## ***Our Students are learning***

DCAS Growth from 2011 to 2013			
Average Student in Delaware		EastSide Charter School	
Reading	8% Growth	Reading	26% Growth
Math	10% Growth	Math	21% Growth

## ***Students are the focus of everything we do***

- We have small class sizes (average of 17 students) that allows each child to get the attention he/she requires.
- Team and character building activities teach students leadership, respect, and responsibility.
- Weekly celebrations and monthly field trips honor students who work hard and show great character.

## ***We have outstanding teachers and staff***

- Our teachers routinely go above and beyond to support the growth of their students
- Teachers make frequent contact with parents through parent letters, calls home and face-to-face meetings. Teachers make sure to let you know not only about when your child is struggling, but also when your child is doing exceptionally well.
- Many of our teachers run after-school clubs to provide fun activities for our students.

## ***We are committed to families and the community***

- Community Service Day three times a year allows students to have fun while gaining leadership experience and learning about the importance of giving back.
- Families are invited into the building for fun events, special activities, report card conferences, and more.
- Every Thursday, a Parent Bulletin is sent home by the Principal to keep parents in the loop about everything important that is happening in the school.

## ***We have very high expectations for our students and use cutting edge technology***

- Extended school day and school year makes sure that every student is pushed to his/her maximum ability.
- Every student receives homework every night.
- A set of iPads and laptop computers are available for every student in the school.
- SmartBoards/Elmo Projectors are installed in every classroom in Grades K-8.

*Strive. Succeed. Soar.*
